

## **Childcare Policy for Women's Weekly Bible Studies at Discovery Fellowship Church**

- Childcare is provided for children birth through Kindergarten of mothers/caregivers who are attending class onsite.
- Please make other off-site arrangements for children older than six-years-old as they are not permitted on campus.
- If your child is going to be absent, please notify the Children's Ministry Director.
- If you are attending class but running late, please contact the Children's Ministry Director. A childcare classroom that has no children after 15 minutes of the Bible study start time may be closed for the morning and there would be no coverage for your child. We do not allow your child to be placed in a different classroom to accommodate late comers.
- If your child is sick, please do not bring him/her. We do our best to keep sickness from spreading. This protects your child and the childcare workers. Please see the Health Policy handout for keeping your child at home. It will ultimately be at the discretion of the Children's Ministry Director if a child must be sent home because they are ill.
- If your child needs your attention you will be called from class.

Thank you for your cooperation,
